### ClearCut Lager

Traditional German Pilsner style Lager. Light and refreshing, the delicate malt flavor is balanced with subtle European hop flavor and aroma.  
ABV 5%, IBU 22

### Old Westie Amber Lager

Soft and elegant, with a rich copper hue, this is a beautiful interpretation of a traditional Vienna style amber Lager. The toasted malt complexity is balanced with a light hop overtone.  
ABV 5%, IBU 21

### Cloud 9 Witbier

Our interpretation of a classic Belgian Style Wit Ale. Soft and refreshing, this ale is brewed with malted wheat, Pilsner malt and oats, then spiced with sweet orange and coriander.  
ABV 4.5%, IBU 17

### Suzer's Saison

This refreshing farmhouse ale features sultry citrus notes and a hint of apricot. It balances with a well-rounded biscuity malt that fades softly into a clean brisk finish.  
ABV 4.5%, IBU 21

### George Street Brown Ale

Dark in colour, yet mild and easy drinking. English Brown Ales were favorites of Northern coal miners - their preferred beverage after a long day's work. Flavours of caramel malt, biscuit and chocolate.  
ABV 5%, IBU 21

### Iron Bridge Oatmeal Stout

Traditional English style stout with a small amount of oats added to the mash for extra body. Key flavours of coffee, chocolate and roasted malt dominate. A very sessionable beer - don't be afraid of the dark!  
ABV 5%, IBU 19

### Pidherny Pale Ale

Classic Northwest Pale Ale – possibly the beer that started the craft revolution. This smooth easy drinking Pale Ale balances its crisp clean malt profile with classic citrus hops.  
ABV 5.5%, IBU 26

### Cinder's Red Rye

Pours an Auburn red. The malty rich backbone is accentuated by juicy hop aroma and flavour, followed with a spicy crisp finish that only rye malt can provide.  
ABV 6%, IBU 32

### Fast Lane IPA (India Pale Ale)

Hops – and more hops. Brewed with Pilsner malt to let the hops play the lead role. This light bodied IPA is deceptively easy to drink. Aromas and flavours of fresh citrus and tropical fruit dominate.  
ABV 6.5%, IBU 55

## TRY SOMETHING UNIQUE

### Nitro Beer – ask your Server

Beer served with nitrogen produces a thicker foam head with finer bubbles, giving the beer a smooth creamy taste – made popular by the Irish.

### Cask Beer – launched on Friday's

Beer naturally conditioned inside a small traditional cask that results in lower carbonation. We trial new and unique recipes in limited quantity.

## CRAFT CIDER & WINE

### Big Dry – Left Field Cidery – Logan Lake, BC

Left Field's driest cider will attract those looking for a more traditional style cider. The blend is dominated by bittersweet cider apples whose rich tannins are balanced by the fruity aromatics of Okanagan dessert apples.

### Pinot Gris - Hester Creek Winery – Oliver, BC

A great example of Hester Creek's terroir, this wine gets fresh tropical fruit flavours from the east-facing Golden Mile Bench vineyard, and a racy minerality and crisp citrus finish from the limestone soil.  
ABV 13.2%, Vintage 2017

### Merlot - Hester Creek Winery – Oliver, BC

This is a friendly and flavourful red. Bright cherry and plum on the nose and initial palate are followed by cocoa, light pepper and hints of sage and eucalyptus, with a soft and supple finish.  
ABV 13.8%, Vintage 2016

### Seduction - Northern Lights Winery – Prince George, BC

Intensely aromatic red rhubarb blush wine that presents many of the same characteristics of the famed Okanagan Gewürztraminer.  
ABV 12%, Vintage 2017
